Peek Inside the Book

A major challenge we face today, therefore, is to create a desire in people to learn; and to foster and facilitate this desire throughout their lives. Bryn Holmes, E Learning: Concepts And Practice //

Reader's Opinions

By far, this is the most comprehensive book I came across when it comes to e-learning. internet generation; blended; e-learning; e-learning types; e-learning benefits; web 2.0--"e-Learning requires different types of engagement, categorized in the framework of key practices or skills illustrated in the petals of the e-learning flower...
