

ANTARCTICA

Ready for the adventure of a lifetime? Gape at the icebergs looming over your ship, stand awestruck in the midst of a teeming penguin colony, or glimpse a minke whale surfacing next to your Zodiac - Antarctica will astound and transform you. Written by authors with intimate knowledge of the region, this bestselling...

Reader's Opinions

there was a time when i'd obsessively read through the stories in here trying to imagine what life would be like on the seventh continent, but nowadays, i'll just pull it off...

Although this is really supposed to be a travel book, it's much more useful as a general non-fiction book about Antarctica. Unlike most of the Lonely Planet series, it is filled less with logistics and more with history, general information, and portraits...
