

THE STORY ABOUT THE STORY: GREAT WRITERS EXPLORE GREAT LITERATURE

Editor J. C. Hallman has pored through countless collected essays of notable authors, searching for pieces in which the author approaches literature from a personal angle. The results are a fantastic, provocative, intelligent, and, at times, hilarious discussion of literature and life. Never before collected in a single volume, the essays in *The Story About the Story* feature lively discussions of great literature by some of the most prominent authors of all time. With over thirty essays written by authors as diverse as...

Reader's Opinions

This is a collection of literary criticisms, written by those who write fictions themselves. I checked it out from my local library to read what Vladimir Nabokov had to say about Kafka's *The Metamorphosis* (because my library doesn't carry *Lectures on Literature*.) I was thinking of reading other essays as well,...
