

STATECRAFT: STRATEGIES FOR A CHANGING WORLD

I wanted to write one more book -- and I wanted it to be about the future. Few leaders have stood on the brink of change to the extent of former British prime minister Margaret Thatcher. Now this commanding world figure draws upon her unrivaled political experience to comment...

Reader's Opinions

There is no such thing as grey area in Margaret Thatcher's methodology of governance. She minces no words and goes on the offensive or defensive for what she believes is justified and not what is popular. Political correctness be damned and she will whack naysayers of Reagan's America, Gorbachev and Pinochet with her iron handbag. The...

"...Conservatives have excellent credentials to speak about human rights. By our efforts, and with precious little help from self-styled liberals, we were largely responsible for securing liberty for a substantial share of the world's population and defending it for most of the...
