

ECTOPIA

Ectopia takes place sixteen years into a baking world in which no more girls have been born. It's set in London, in the flatlands around Heathrow. Planes don't fly any more. Heathrow is now Cromozone, a genetic research station. The streets are run by teensquads, state-sponsored groups of boys. A lead runner among them is Steven, the gay twin of the last girl Karen....

Reader's Opinions

Wow. This book was hard. Really hard. Think A Clockwork Orange, The Handmaid's Tale, and 1984 all mashed together. I think that I really liked it. I kept thinking of the old adage, 'If men could get pregnant, then abortion would be a sacrament.' This is a dark near-future dystopia. I dislike the term 'gritty' but I can't think of a better...

Ectopia is a book that can best be described as a mash-up of Children of Men and A Clockwork Orange if set against the 1980's London Punk scene. This book is as bizarre as it is disturbing and yet for some odd reason I couldn't tear myself away from it. Ectopia is a dark book. It is set in a world that's been literally...
