

THE NEW DIGITAL STORYTELLING: CREATING NARRATIVES WITH NEW MEDIA

Digital storytelling uses new media tools and platforms to tell stories. The second wave of digital storytelling started in the 1990s with the rise of popular video production, then progressed in the new century to encompass newer, social media technologies. "The New Digital Storytelling: Creating Narratives with New Media" is the first book that gathers these new, old, and emergent practices in one place, and provides a historical context for these methods.
