

CRAP CARS

A visual feast of fifty of the most craptastic cars ever to hit the American highway. Crap Cars is a window into the vanity and silliness of almost any decade as expressed through that ultimate of status symbols: your car. Traveling from the '60s to the '90s, it showcases the cheapest, the tackiest, and the mechanically inept, including cars made by companies like Porsche and BMW that put them to shame. There's also the blobby Merkur Scorpio, the ungainly Rolls-Royce Camargue, the squarish Maserati Biturbo, and...

Reader's Opinions

Reviews of the worst cars ever made, written by the guys responsible for Britain's Top Gear TV show. The only mistake they make is including the rag top Volvo 262c, which is actually pretty awesome.
