Peek Inside the Book

if at all, since the Civil War. In Greenwood, many black workers were still earning 30 cents an hour and returning huge profits for these Dixiecrat barons. For those who toiled in the fields there...

Reader's Opinions

In medicine, there are often meta-trials conducted, which involve a collation of the result from other people's trials to reach a different set of conclusions or at least apply a different rationale. In Dylanology, this book by the late Scottish journalist Ian Bell is a classic case of meta-biography, offering no new interviews or specific...
