Reader's Opinions

I read this to get more in touch with my lovely wife's culture. :-) It brought us so much closer now that I understand. Lots of funny one liners. Good to read on the pot for a quick laugh. I can't imagine just sitting down and reading straight through it since its all really the same joke....

I never thought I'd say this, but I guess Jeff has just gotten boring over the years. Either that, or it just isn't as good when you can't hear his tones and inflections.
