This review has been hidden because it contains spoilers. To view it, click here. I found the premise of this book to be interesting; presenting one of history's most famous women as an impressionable 12-14 year old. It showed some of the events that would influence her in the future, and help to shape how she would rein over her country. The...

The book The Royal Diaries, Cleopatra VII, Daughter of the Nile was a superior book. The book was about Cleopatra VII. The Royal Diaries is a series of twenty books published by Scholastic Press from 1999 to 2005. All of her diaries, memories, and important dates are put into this book. Cleopatra records in her diary how she fears for...
