

WAR IN THE SHADOWS: THE GUERRILLA IN HISTORY

This books tells the story of countries torn by armed insurgences & clarifies the causes of each conflict. It provides the broad viewpoint necessary for understanding them in the historical terms of guerrilla warfare. With the collapse of the Soviet Union, the end of the Cold War & a highly unstable new world order, this brand of rebellion has never...

Reader's Opinions

Necessary reading for understanding Vietnam, guerrilla warfare, and the US's failures in Iraq.

This book covers every major guerrilla style conflict since we started having a name for war. The tactics haven't changed, but the weapons have. Very comprehensive and in depth.
