Peek Inside the Book

Of this one thing make sure against your dying day - that your faults die before you do. Seneca, Letters from a Stoic //

Reader's Opinions

Selected by Tiberius, Nero became emperor of Rome as a mere teenager, and Neros ambitious mother selected Seneca to tutor her son. For five years, while Nero goofed off, Seneca (in alliance with a general, Burrus) actually ruled Rome. Some have claimed these were the best five years in the empires history. Then palace intrigue caught...

Finally, a Western philosopher who's more practical than pedantic. Seneca's letters give us an interesting look at Roman life while offering advice on how to live a good life, advice which is still remarkably applicable today.
