There and then, Emily resolves to help him out...

Reader's Opinions

I always think it's fun to read a story with people who we know so much in, but from a different angle, and a bit more adventure! It was a great book. I read it a few years ago and recently remembered about it, it's a good book for anyone who likes the Brontës and the times.

A very interesting concept was used for this book. It stars the Brontë sisters, famous classic authors. Again, I didn't find the book itself or the writing amazing, and I wouldn't re-read it.
