

GHOST DANCE

Scientific theory holds that ninety percent of all matter in the universe is "dark matter," unable to be detected by ordinary means. The gravitational force of that mysterious material ensures the continuance of all reality, but now a cosmic conspiracy plans to use excess dark matter to bring about the death of the universe. While Chakotay and Paris are lost in a mysterious shadow dimension, Captain Janeway and the remainder of her crew struggle to contain the deadly dark...

Reader's Opinions

4 stars. I love this book and would say that it's even better than the first one in this trilogy. Christie Golden being one of my favorite authors for Voyager this is not in any way a...

In this book 2 of 3, the characters and the plot move much more smoothly than they did in the rather clunky book one of the series. This leaves me with a dilemma; it is difficult to recommend this...
