

THE SCIENCE OF MIRACLES: INVESTIGATING THE INCREDIBLE

An entertaining, comprehensive, and science-based study of miracle claims Is the Shroud of Turin really the burial cloth of Jesus, produced by a miraculous burst of radiant energy at the moment of Resurrection? What happens at faith-healing services to provide apparently miraculous cures? Steering between the twin...

Reader's Opinions

This is my second sceptical book, the first being Bad Science by Ben Goldacre (brilliant). While the Goldacre book dealt almost exclusively with alternative medicine and drug companies, this book by sceptical legend Joe Nickell deals with supposed...

Joe Nickell remains my favorite investigator in the field of Woo-Woo. If I had a dream job, it would be his. And when I met him at the CFI Reason for Change conference summer of 2015, he told me...
